

Marquis 51/61

Professional groundsmen and discerning private owners who demand a quality finish to fine turf will delight in the Marquis. There's a choice of 51 cm or 61 cm width cutting cylinders, both producing a superb striped finish.

A five blade cylinder in the 61 cm and six blade in the 51 cm provide 71 and 85 cuts per metre respectively. An optional trailing seat (for 61 Marquis only) enhances operator comfort when mowing larger areas.
